Honorable Ernest Y. Martin  
Chair, City Council  
City and County of Honolulu

Mr. Chair:

Your Committee on Public Safety and Economic Development, which considered Bill 28 (2013), CD1 entitled:

“A BILL FOR AN ORDINANCE RELATING TO SMOKING,”

which passed Second Reading at the June 5, 2013 Council meeting, reports as follows:

The purpose of this Bill is to amend the prohibition of smoking in certain places to include city bus stops.

The Director of the Department of Transportation Services testified in general support of the Bill noting that they will take some time and money to purchase and install signs at each bus stop, but did not feel that the signage implementation should change the effective date of the law.

A member of the public testified in support of the Bill. Your Committee received numerous written testimonies in support of the Bill.

Your Committee has amended the Bill to make the following changes:

- a. Remove language that specifies that any property owned, controlled or leased by the state or federal government is exempt from the smoking prohibitions contained in Chapter 41, Article 21, ROH;
